Faculty	Title	Journal/ Publication	Edition/Date
Vishwanath Panwar	Finite Element Modelling and Numerical Analysis of Hot Rolling of Structural Steel of I-Section beam	International Journal of Engg. Research and Management	ICRAME   April 2015 ISSN:2349-2058 Pg171-177
Vishwanath Panwar	Vegetable Oil Based Cutting Fluids as an Alternative for Mineral Oil for Metal Cutting	Journal of Emerging Technologies and Innovative Research	Nov 2015 Vol2 Iss 11 ISSN2348-5162
Vishwanath Panwar	Studies on Mechanical Characterisation of Friction Stir Welded Polyethylene Joints	Journal of Emerging Technologies and Innovative Research	Nov 2015 Vol2 Iss 11 ISSN2348-5162
Kiruthika K	Harmonic Reduction using Proposed Multilevel Inverter	International Research Publication House	IRPH Online ISSN0974-2158 Vol 7 No 2(2014) pp 271-278
Mahesha N B	Health Monitoring System using Mobile Phone	International Journal of Innovative Science Engineering and Technology	IJSET, ISSN2348-7968 Sep 15
Gopika P	FIR Window method : A comparative Analysis	IOSR, JECE	Jul2015 10(4) Ver 3
Sunil Sarangmath	Study of Tribological Characteristics of NiTiFe Shape Memory Alloy for Varying Aging Condition	IJERT	Vol 3 Iss 19 ISSN: 2278-0181
