ABOUT US

Our vision is to be one of the preferred providers of quality professional education, attracting local and overseas students, and imbibe in our students a passion for the life-long learning by freely sharing the fruits of knowledge to create a win-win situation for all the stakeholders in significant research projects with industry. RTU offers the most comprehensive range of job-oriented programs, providing students with more opportunities to develop general or specialized expertise. The aim is to provide students with sound knowledge of scientific, technological, management, economic, environmental and social principles

RECOGNITIONS & APPROVAL

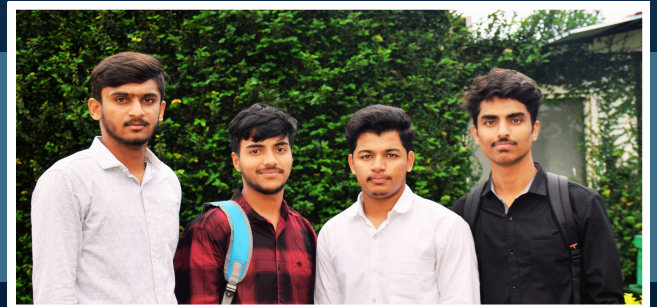

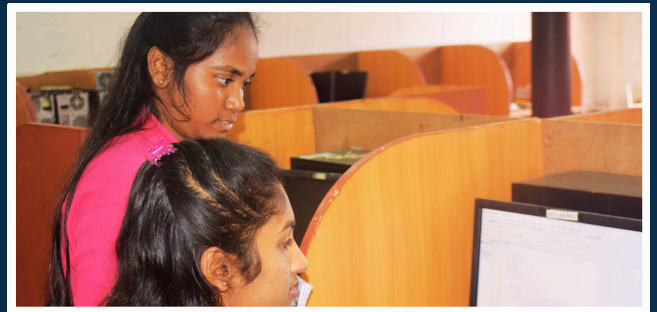

University Grants
Commission

Association of Indian
Universities

Government of
Karnataka

HOLISTIC EDUCATION = Core Learning + Hands-on Practice + Emotional Development + Social Skills and Etiquettes + Personality Development + Critical Thinking skills + Problem Solving Skills+ Communication

COMMITMENT TO EXCELLENCE-PEDAGOGY

- The traditional mode of learning perpetrates memorizing, without the student ever grasping the soul of the subject. This results in situation where lessons taught are never learnt.
- At RTU, students are sensitized to unique learning process which continues to pay dividends throughout their lives. The 'Rai Method' demands constant interaction between faculty and students.
- The objective is conceptual understanding via by active learning, interactive classroom activity, self-learning, pre- class reading, and problem-solving.
- Further, uploading study material on the university website, persuading students to come prepared, asking concept-related pre-planned questions, triggering group discussions, focusing on peer teaching (question pairs) and assessments.

PROGRAMS OFFERED

College of Engineering and Computer Application

B.Tech.

- Computer Science and Engineering
- Information Technology

Specialization:

AIML, Data Science, Cloud Computing

BCA /BCA (Hons.)

Specialization: Web Design & Multimedia

B.Sc. /B.Sc. (Hons.)

- Information Technology

Specialization: Data Science

M.Tech.

- Computer Science and Engineering

MCA

Duration : 8 Semesters

KCET CODE - E256

Duration : 6/8 Semesters

Duration : 6/8 Semesters

Duration : 4 Semesters

Duration : 4 Semesters

College of Commerce and Management Studies

BBA /BBA (Hons.)

Digital Marketing, Applied HR, Finance, Marketing

MBA

HR, Finance, Marketing, Rural Management, Business Analytics .

Duration : 6/8 Semesters

Duration : 4 Semesters
